KUALA LUMPUR: PNB Merdeka Ventures Sdn Bhd (PMVSB) has initiated its first-ever bubur lambuk-making initiative with its neighbours to be shared with the communities surrounding the Merdeka 118 precinct.

The initiative by Permodalan Nasional Bhd's subsidiary (PNB) is part of the Merdeka 118 Volunteer Programme. PNB and PMVSB staff prepared bubur lambuk and gave away almost 450 packs to members from Public Housing (PA) Seri Sarawak, PA Jalan Hang Tuah, PA Loke Yew, and PA Seri Selangor.

"This effort aims to bring us closer to our neighbours within the Merdeka 118 precinct by making a simple yet meaningful activity such as cooking together into a collaborative community effort.

"We believe that initiatives like this cultivate continuous interaction with the community. As the Merdeka 118 development progresses, we are committed to ensuring that the surrounding communities are not only included but prioritised in our efforts as we move forward together.
